REPORT FOR THE YEAR ENDED DECEMBER 31st, 1935.

THE Committee has pleasure in submitting this Report of the work of the Hospital during the year 1935, the 61st since its foundation.

The number of patients to whom treatment has been rendered shows a considerable increase, and attention is called to the interesting Report of the Honorary Medical Staff which accompanies this, also the Statistical Tables on page 11. The Hospital has had a very busy year, and the Committee is most grateful to the Matron, Miss L. Stone, and her staff for the excellent work carried out. To the Honorary Consulting Surgeon, Mr. E. Gillespie, special thanks are due and accorded for his unremitting service; to the Honorary Consulting Physicians, Dr. C. E. Sundell and Dr. N. Bruce Williamson; to the Honorary Radiologist, Dr. E. E. Holdsworth; the Honorary Dentist, Mr. Neil Edgar; and especially to the Medical Manager, Dr. W. W. Wood, for his constant attendance and help on Committees; also to the Honorary Medical Officers for their attendance upon the patients and for the rota duty for casualty and emergency cases.

Additional work in the X-Ray, Massage and Electrical Department has necessitated extra assistance and corresponding increasing cost.

The Committee feels confident that the work of the Hospital has been carried out in every department with the highest efficiency, and to the satisfaction of the patients, whose verbal and written thanks bear testimony to this. It is most satisfactory to record that many patients after their discharge remain firm and active friends of the Hospital, and to the best of their ability are rendering service in various ways for the good of the Institution, which they remember so kindly.

Nursing Staff.

The training of the probationers has proceeded most satisfactorily during the year. The Sister Tutor (Miss M. M. W. Marriott) is to be sincerely congratulated. Four entrants have passed the Preliminary State Examination and have moved on to Ipswich Hospital—our parent Hospital—to complete their training.

CONTRIBUTORY SCHEME.

One of the most gratifying matters to report is the extremely satisfactory progress made by the Contributory Scheme under the able direction of Mr. H. H. Moores. Details of this will be found on pages 17, 18 and 19.

Grants from Central Funds.

The following grants for the purpose of maintenance are most gratefully acknowledged:—

King Edward's Hospital Fund for London	£300
Hospital Sunday Fund	£70
Alexandra Rose Day	£150

King Edward's Hospital Fund for London.

The Hospital was inspected on the 14th June, the visitors being Professor C. C. Choyce, C.B.E., F.R.C.S., and Mr. E. W. Meyerstein.

Flag Day.

This worth-while effort produced no less a sum than £98 12s. 10d., and proves conclusively that whilst Flag Days may not be favoured generally, the one for the local Hospital was approved and supported. The expenses were again defrayed by a donor who wishes to remain anonymous, and the Committee cannot thank too highly this donor, Mrs. R. G. Porter for organising, Mrs. Searle, Mr. R. Winsley and the band of willing sellers and other helpers who assisted.

American Tea.

This effort of the Matron and the Ladies' Committee held in July, was again most successful, and £14 10s. was raised. The Bridge Party and Whist Drive were also financial successes and resulted in raising £35 6s. 8d. All these functions were organised in aid of the building of the Nurses' Class Room and Recreation Room.

Silver Jubilee Celebrations.

The Programme arranged in this connection was enjoyed to the fullest. Each patient entertained two visitors to tea on May 6th (cost defrayed privately), and the staff (Nursing and Domestic) were granted an extra day off duty. The Enfield District Council defrayed the cost of providing the decorations of the wards, tea for patients' visitors, a Jubilee dinner for the patients and for the staff, coach drives to London to see the decorations and provision of refreshments. To commemorate the Silver Jubilee the Rotary Club of Enfield contributed £22 8s. towards the cost of improving the X-Ray Apparatus, and a Tablet has been erected in the X-Ray Department to record this. As a special Jubilee gift, Mr. E. C. Turner made a donation of £200 to the new Building Fund.

Christmas at the Hospital.

It is gratifying to report that the contributions to Matron's Christmas Fund again exceeded those of the previous year and totalled £43 13s. 11d. The decorations of the wards, etc., were again beautifully done, and the whole cost of the festivities was defrayed from Matron's Fund. The Nursing Staff again organised a most creditable entertainment for the patients.

Egg Day.

This annual effort, organised by Mrs. R. G. Porter, is of great value, and 4,991 eggs were received.

Silver Paper.

The collection of Tinfoil has again been well supported throughout the year. The sale of this waste material realised £9 6s., and special thanks are tendered to the Teachers and pupils in the schools, and to the many little ones who have taken pains to collect for the Hospital.

Nurses' Class Room and Recreation Room.

By real hard work the Nursing Staff have during the past year organised and carried out various money-raising schemes, with the result that they collected no less than £90 towards the cost of this building. The Committee, in appreciation of their effort, agreed to the expenditure of the balance required to enable the building to be erected, and it was opened for use early in December. The Sister Tutor and her pupils have already been able to appreciate the advantage of quiet undisturbed work, and when not thus occupied the whole of the Nursing Staff make good use of the accommodation for recreation, particularly Table Tennis.

Hospital Extension.

During the year the Committee has had under serious consideration the question of extension or of an entirely new and larger Hospital. Various avenues have been explored, but no decision has been come to, the question of site being a real difficulty. It is hoped that some definite proposition may be put forward early in the new year. Already various contributions have been received towards the new Building Fund (see page 26).

SPECIAL THANKS FOR ASSISTANCE ARE DUE AND HEREWITH TENDERED TO:— Ambulance Service.

The Rev. W. F. Elmes, Divisional Superintendent, St. John Ambulance Brigade, No. 78 (Enfield) Division; to Mr. J. R. Wright and other volunteers.

Linen Guild.

Mrs. F. M. O'Brien, donors and helpers. The Past Patients' Branch started by Matron in January. Their gifts of Blankets, Quilts, Sheets, Pillow Cases, Towels (various), Pyjamas, Bed Jackets, Table Cloths, Vests, etc., totalling 588 articles, were most useful.

Surgical Working Party.

Members of the Working Party who have attended the Hospital fortnightly, making Swabs, T Bandages, Manytail Bandages, Masks and Pneumonia Jackets.

The Ladies' Sewing Party.

Who have attended at the Hospital making and mending most useful articles.

Help Yourself Society.

Mr. and Mrs. H. J. Emerton and all the sellers, including Mr. W. J. Marsh, Secretary of the Enfield Chamber of Commerce. The sale of Annuals resulted in the funds of the Hospital benefiting to the extent of £56 5s.

Bush Hill Park Carnival Association.

The members of this hard-working Association whose untiring efforts have resulted in the contribution of £177 15s. 7d. including Bath Box Scheme collection.

Bath Box Scheme Organisation.

Mr. H. A. Deshborough Brown and his band of Stewards who continued their help. £202 7s. 5d. was raised during the year, and the Committee ventures to ask for additional support.

Pound Day Organisation.

Mrs. R. G. Porter, who again organised on behalf of the Ladies' Committee, and to the many helpers and contributors, especially the Teachers and Children of the Elementary Schools. Goods in kind totalled 2,878 (value £36 5s. 3d.) and cash £9.

All who have sent gifts in kind (see page 27).

Those who have sent gifts in money and in kind for the Christmas Festivities (see page 28).

Office Staff.

The Committee wishes to express appreciation for the work of the office staff which is by no means confined to ordinary office hours or to work done at the Hospital itself.

The local Press for the immense help given in making known to the public the needs of the Hospital, for giving publicity to the items of interest, and for the gift of six papers weekly.

In conclusion the Committee desires to express its acknowledgment and appreciation of the practical help so generously afforded by all sections of the community in carrying on and maintaining the work of the Hospital.

R. G. PORTER,
Chairman.

REPORT

on the Work of the X-Ray Department

during 1935

There was a fair increase in the amount of the work during the year, 1,188 cases as compared with 1,000 in 1934.

Classification of the cases:--

Examination of bones and joints	761
.. .. intestinal tract	165
.. .. chest	108
.. .. urinary tract	39
.. .. gallbladder (with dye)	22
.. .. pregnancy cases	27
.. .. accessory sinuses	18
.. .. teeth	28
Miscellaneous examinations	20

Several improvements to the apparatus were effected, in particular a new auto-transformer and new time switch were installed. The auto-transformer allows more exact working conditions than could be used with the old one, and the improvements altogether have altered the quality of the films considerably. The members of the Enfield Rotary Club kindly contributed towards the cost of the additional apparatus.

I wish to thank the Staff of the Hospital and in particular Mrs. Searle and Sister Marriott for their help in the working of the department.

REPORT

of the Honorary House Medical Officers for 1935

	1935	1934
Total Cases	2,346	2,309
Admissions .. .	752	709
Medical	213	195
Surgical	539	514
Major Operations	255	260
Casualties attended	174	156
Massage and Electrical	80	67

We have again to record an increase in the work of the Hospital.

The total cases, 2,346, is the largest number which the Hospital has ever treated in one year. The admissions, 752, show an increase of 43 on the previous year; of this total, 213 were medical and 539 surgical; in the treatment of the latter, 255 major surgical operations were performed. There has been an increase in the number of casualties attended, and this work is likely to grow as the facilities of this Department become more widely known in the district.

With regard to In-Patients, it is unlikely that the number of admissions will, with the existing accommodation, become larger.

The average residence in Hospital for each In-Patient for 1935 was 22.37 days; in past years, this has varied from 19.5 to 23.9. The admissions and the waiting list depend on this figure and the Medical Staff is anxious to assist in lowering the average stay of each patient in Hospital as far as is consistent with safety.

Increased In-Patient accommodation, ordinary and private, is a most urgent requirement, and a more extensive annexe will assist and augment the consultative clinics, surgical and medical, which are already well established.

For some months we have had difficulty with the transport of cases to and from the Hospital; we hope that the solution of this problem and the restoration of the formerly extremely efficient Ambulance Services are, as reported, near at hand.

To all those with whom we work, the Consulting Surgeon, Physicians, Matron and Nursing Staff and the Office, we offer our sincere thanks for their co-operation during the year.

I have examined the above Balance Sheet of the Enfield War Memorial Hospital with the Books and Vouchers of the Hospital, and have obtained all the information and explanations I have required. In my opinion such Balance Sheet is properly drawn up so as to exhibit a true and correct view of the state of the affairs of the Hospital according to the best of my information and the explanations given to me and as shown by the Books of the Hospital. To the best of my knowledge and belief the accounting regulations contained in the Revised Uniform System of Hospital Accounts issued in January, 1926, as modified by circular dated November, 1931, by the King Edward's Hospital Fund for London, the Metropolitan Hospital Sunday Fund, and the Hospital Saturday Fund, have been followed by the Hospital.

ENFIELD WAR MEMORIAL HOSPITAL

CONTRIBUTORY SCHEME REPORT

The Hospital's own Contributory Scheme has continued to make progress during the past year.

Membership.

At the end of 1934 the Scheme had a membership of 2,648. During the past year 601 new members joined, and after allowing for removals from the district and other causes, the membership at the end of 1935 was 3,122, made up as follows:—

1,421	members	who	pay	3d.	per	week
1,064	"	"	"	2d.	"	"
637	"	"	"	1d.	"	"

Scheme "B" for those above the prescribed Income limits for Scheme "A" now has 42 members.

Service Given.

During the past year 156 members were admitted as In-patients to our own Hospital (an increase of 47 on the previous year). X-Ray Examinations to members numbered 107 (59 in 1934), whilst 29 members were treated at the Hospital for minor ailments. As Scheme Members the whole of the above treatment and maintenance was entirely free. In addition the Scheme met the cost of seven Surgical Belts supplied to members on the recommendation of their doctors, and also the assessments made in respect of 59 members who were treated as In-patients in other Hospitals during the year, including:

The London Hospital.
The Middlesex Hospital, W.1.
St. Thomas's Hospital.
Guy's Hospital.
Royal Free Hospital.
Infants' Hospital.
Royal Northern Hospital.
Royal London Ophthalmic Hospital.
Prince of Wales's Hospital.
Central London Ophthalmic Hospital.
St. Peter's Hospital.
Central London Throat, Nose and Ear Hospital.
Royal Mineral Water Hospital, Bath.
Ramsgate Hospital.
Metropolitan Ear, Nose and Throat Hospital.
North Middlesex Hospital.

Financial Statement.

Contributions received from members during the year amounted to £1,258 19s. 7d. (1934, £862 6s. 5d.; 1933, £595 17s. 6d.). Mrs. Tong again headed the list of Group Collectors for the year with £63 7s. 7d. collected from her members, an average of £1 4s. 6d. per week throughout the year. The amount transferred to the Maintenance Fund of the Hospital on December 31st, 1935 (after meeting all expenses and payments for members in other hospitals) was £794 6s. 8d. (1934, £543 3s. 10d.; 1933, £421 2s. 6d.). The amount transferred represented 62 per cent. of the total statistical cost of treatment and maintenance given to members. In 1934 it was 51 per cent.

Social and Propaganda Committee.

This Committee continues its most valuable work in making the Scheme known throughout the district served by the Hospital and bringing to the notice of residents the advantages gained by membership of the Scheme. Many of the Scheme's present members—particularly those who have been in close contact with the Hospital—are its most enthusiastic helpers.

The Committee suffered a particularly heavy loss in October of last year in the death of Mr. W. J. Jones, its first Chairman. His work for the Hospital and for the Contributory Scheme in particular was greatly valued. To his memory the Committee have subscribed for an Ebony Gavel and Base which has been executed to their design and will be known as the "William James Jones" Gavel.

At the Annual Meeting of Group Collectors, Mr. F. E. Freeth was elected Chairman in succession to the late Mr. W. J. Jones, and Mr. W. J. Richardson was elected Vice-Chairman. At this meeting a Social Committee of 18 was also elected representative of all parts of the district. Mr. F. E. Freeth and Mrs. Tong have been elected to represent the Contributory Scheme on the Hospital Managing Committee.

The various social events which are arranged and organised by this Committee are of great value in making new friends for the Hospital, and warm thanks are due and are tendered to the ladies (all of whom are Group Collectors) who make themselves responsible for the refreshments on these happy occasions.

Thanks.

To the Honorary Medical Officers of the Hospital for their valued services and helpful co-operation the warm and grateful thanks of the Committee and members are once again tendered. To the Matron and her Staff for the devoted care and attention which one and all receive whilst In-patients at the Hospital grateful appreciation is felt.

And last, but by no means least, to the Honorary Group Collectors, now numbering 101, a special word of thanks is due. Week in and week out, with enthusiasm undimmed, they never tire in giving this service for their own Hospital which to many of them bring back memories of happy recoveries from serious illness. It is due to them entirely that the Scheme has made such progress and is to-day in such a healthy condition. May it ever continue so, particularly as the question of increased Hospital accommodation is now exercising the minds of the Hospital Committee.

Our own Scheme, in common with similar Contributory Schemes throughout the country, gives help and benefit to wage earners just at the time when it is most needed. And they in return are grateful and are pleased to give week by week their small contribution when they are well. The Managing Committee can be assured of the zeal and enthusiasm of both Officers and Committee of the Scheme and indeed of every Group Collector in promoting and extending by every means in their power the good work of the Hospital, which is so much valued throughout the district it serves.

Scheme Secretary.

IMPORTANT**A Special Note to Subscribers**

If you are willing to contribute to the funds of the Hospital annually for seven years, and will sign a Covenant to that effect, the Hospital will benefit to a greater extent than your annual contribution, at no extra cost to yourself.

This additional benefit arises from the provision of Section 20 of the Finance Act, 1922. An annual subscription paid under such a covenant can be treated as a net payment after deduction of Income Tax, and the tax it has borne can be recovered by the Hospital from the Revenue Authorities, thereby increasing the subscription by thirty-three per cent.

No legal liability attaches on the subscriber's estate if he or she should die before the expiry of the seven years.

With Income Tax at 4/6 in the pound an Annual Subscription of one guinea becomes £1 7s. 1d. and pro rata.

The Secretary will be pleased to send the necessary form of Agreement on request.
